CALL FOR AUDITION

"Extensions" training program / Oct. 2018 – Jun. 2019

Professional training cycle for dancers in the field of contemporary dance

"Extensions" is a professional training program dedicated to developing research and creativity tools aiming at a true vocational integration. It takes place within a structure which is also implementing a presentation program, along with production and artistic residencies. The embedding of this training program into a place like CDCN Toulouse / Occitanie creates a specific learning environment, which is highly enriched by its proximity with the dancer's daily professional reality, illustrated by the numerous hosted artistic teams.

TARGET GROUP

Female and male dancers aged from 23 to 28 – a good level in French is required
Artists dealing with all kinds of contemporary artistic expression forms
Artists committed in building their professional project as performers
